

Denver Urban Christmas Count – January 1, 2013

A holiday tradition – everyone welcome: beginners, intermediate, and advanced. The more eyes we have, the more birds we see. And we like to encourage people to get involved. Start the New Year with a half day or whole day effort – a good way to start your New Year's List!

The count circle's 15-mile diameter includes the Platte River from North City limits to Mississippi, west to Buckley Field and Rocky Mtn. Arsenal.

5pm after the count, Pot Luck, at Casey Davenhill's, 415 South High (5 blocks west of University, about 2 blocks south of Alameda); please call Urling (303-814-2723) so we can count you in on the chili pot, Urling's brownies, Casey's hospitality, and your salad, dessert, veggie, or finger foods.

Count Leader: Hugh Kingery 303-814-2723
